

A. Air Quality:

Developments which produce emissions to the air shall, at a minimum, demonstrate compliance with all state air quality standards, as evidenced by the issuance of any permits required for their emissions by the state. Any fireplace or wood burning devices shall meet applicable minimum EPA requirements for clean burning devices as set forth in title 40, part 60, subpart AAA of the code of federal regulations ("standards of performance for new residential wood heaters"), which is incorporated by reference as if set forth in its entirety herein.
